Re: Case Name: *Russian Riverkeeper v. Pacific States Industries, et al.*
Case Number: 3:07-cv-05393-MHP

LOS ANGELES

Dear Counsel:

This will confirm that we have scheduled the mediation in this case for May 12, 2008, starting at 9:00 a.m. We will meet in my office. Please set aside the entire day for the mediation to allow it to continue as long as it is being productive.

MUNICH

You indicated that you would jointly prepare a mediation statement, which will include a summary of the items on which you have already agreed and a description of open issues. Please provide the statement to me by the close of business on May 8, 2008. Also, please let me know by then the names of everyone who will be attending in person, so that we may have everyone's name at the Security Desk in the lobby of our building.

SALT LAKE CITY

We discussed the need to have client representatives present and you agreed that they would be. You also indicated that your experts would be available by phone. Please let me know as soon as possible if anyone's schedules change and they are no longer available.

Under ADR L.R. 6-3(b), I will donate my preparation time and the first four hours of the mediation. I also told you I would donate any additional time we spend on May 12. After eight hours of session time, if you wish to continue to meet with me, I will charge my hourly rate of \$500 for additional time spent.

I look forward to working with you and your clients.

Sincerely,

Meryl Macklin
